

Maths Subject Leaders' Network

"We have what we need, if we use what we have."
Edgar Cahn

3 afternoon sessions (1.30pm-3.30pm)

We would like to invite Maths Subject Leaders to attend a series of network meetings that will take place over the course of the year. The meetings will be a fantastic opportunity to meet colleagues from different schools, share good practice, and discuss current research and initiatives within the primary and secondary mathematics curriculum. We encourage subject leaders with all levels of experience to join us. Below is a timetable for the meetings, the contents of which will be added to/amended depending on what we identify in the first session.

The meetings are free to Royal Greenwich TSA Schools, and will be led by Jo Atkins, Rachel Clarke and Lead Practitioners.
