

Collaborating to deliver excellence in teaching

IT & Computing Subject Leaders' Network Meeting

3 afternoon sessions (1:00pm-3:30pm)

We would like to invite all IT & Computing Subject Leaders to attend a series of network meetings that will take place over the course of this academic year. The meetings will be a fantastic opportunity to meet colleagues from different schools, share good practice and discuss current trends, research and approaches within the primary and secondary computing curriculum and with IT in schools. We encourage IT & computing subject leaders with all levels of experience to join us.

The meetings are free to Greenwich Schools, and will be led by Tim Lings.
